

# PROGRAMS

This is the first Study Course of a series of four, developed and being offered by the National Garden Clubs, Inc. of Landscape Design Study Programs. Classes are held at the Jurupa Mountains Cultural Center in Riverside, CA. Classes are scheduled for Wednesday and Thursday, February 23 & 24, 2006 from 8:30 Am to 4:30 PM each day.

These course have been presented throughout the United States. You are joining thousands who have studied the principles and elements of Landscape Design, the development of Landscape Design, the Landscape Design Process and so much more.

The objectives of the Landscape Design Study Program are:

- To develop a greater sense of appreciation, pride and knowledge about our private and public gardens.
- To become better educated to make changes in our surroundings so that they will be more beautiful, useful, convenient, ecologically sound and easily maintained.
- To stimulate interest in all phases of Landscape Design, including community planning, that will affect all of our lives.
- To develop a large number of qualified Landscape Design Consultants to serve in such decision-making areas of public life as providing leadership, educational programs, scholarships, awards and promoting better Landscape Design.
- Bring greater enjoyment and knowledge in your own garden.
